Trudy Ederle swam the English Channel in fourteen hours and thirty-one minutes.

≈≈≈≈≈

Trudy broke the men's record by almost two hours, forever changing the course of women in sports.

≈≈≈≈≈

There has never been a larger parade for an athlete in the history of New York City. Man or woman.

≈≈≈≈≈

Trudy Ederle eventually lost her hearing. She dedicated her life to teaching deaf children to swim.

≈≈≈≈≈

Trudy died in 2003 at the age of 98.
